Tetyana & Oksana doing some crafts with some kiddies from the Zhmerinka orphanage.

About to have a little bundle of Joy!

how you can you know that you are loved deeply?

We are so excited about the coming of our daughter. With only 2 weeks before due date the preparations continue to keep us busy. The Lord not only prepares our hearts but also our practical needs. We have been given, so generously, many things we will need to care for our new baby. And... Oksana (our Director's wife, and dear friend) threw a baby shower! Mom Teresa will also get to visit for the month of June to help love on her first grand-baby :)

Some ministries have paused until autumn, like English club. As for orphanages, it's time for camps! It is always exciting for the kids to get outside of their "orphanage walls" and have some fun. Our team will be involved with, and hopefully even run some of the summer camps. We as a family will help

as much as we can, being new parents. Girls in the orphanage asked me (Tetyana) if when I have my own child will I keep coming and visiting them? That question put tears in my eyes... *how much rejection they fear...* and how **loved** they feel when we keep visiting them and sharing our love, the love of Jesus Christ. We are excited to love other kids with our family!

We also keep preparing for our first **Discipleship Training School**, more in the yellow box below...

We were quickly able to sell our truck in Tennessee. Thank you for all your prayers. This chunk of money is such a blessing from God, and we will use this amount to start saving for a vehicle to buy here. If you would like to give toward a vehicle for our family, please let us know.

If you would like to support us as a family, or a specific ministry we are involved

with please contact us. For more pictures please look on our website, or keep up with us on Facebook!

Vinnitsa Ukraine

2013

Winter Adventure Discipleship Training School...

As January 2013 quickly approaches, we are excited about all the Lord has for students and staff in the first DTS run in Vinnitsa, Ukraine. DTS is all about getting to know God, and then going for it and making Him known! Just as our base has a specific vision for Mercy Ministries, this school will also have a compassion accent. We continue to prepare: the speakers schedule, outreach location, and lots of staff training - all needed to be done in the coming months. We are honored that the Lord would continue to use us in this ministry that we are both so equipped for and passionate about. **Check out our promotional video here: [YWAM Vinnitsa on Facebook](#)**
