

PRAYER FOR Y.W.A.M. VINNITSA, UKRAINE

UPDATE.MARCH.2012

THE OLD WATER TOWER IN DOWNTOWN VINNITSA ON A COLD WINTER NIGHT

Orphans

Pray for the Orphan in Ukraine, that families would choose to foster and adopt. That we would have access to the orphanages, and that the Church would respond to the need. That the Lord would provide funding for our transition home.

Homeless

Pray for the Homeless in Ukraine, that Churches would choose to reach out and serve. That we would have opportunity to the reach addicts, and that the Rehabilitation Centers would continue to be effective.

Youth

Pray for the Youth in Ukraine, that we would be able to disciple and equip. That they would have passion for the Great Commission, and that the Gospel would be shared to the Nations from Ukraine.

Testimonies and Preaching in Lublin, Poland

Daniel, Tetyana & our Baby!

28 weeks pregnant on our way to the last part of pregnancy, healthy, excited, and full of Joy! Only 12 more weeks to go!

Lublin, Poland was amazing! God provided the way by train, bus, car and financially for us to make it safely to family and a warm church. We were able to share Gods Word and His vision for the work in Vinnitsa, Ukraine. It was humbling for Daniel to get to preach so much (3 times in 3 days) and be able to serve the church there in that way. We also had quality time with our family, who are serving as missionaries in this church!

Visa & Documents although you are probably tired of hearing about this topic for us, it is something that is not quite resolved yet! We are so grateful for all of your prayers because it takes much effort and travel and time and extensive paperwork and and and... the Lord is in control and knows our situation. Please keep lifting us up so that we can stay together in the same country -Ukrainian Residency for Daniel and US Visa for Tetyana - that we could possibly come to the States this autumn!

Our Baby is coming! As our due date is quickly arriving we are becoming more confident in our calling as a family ministering *well* in Ukraine. Families here are broken and in need of Jesus. We have Jesus as the Lord and center of our family and we are honored that our family could point people toward Jesus. Please pray for Tetyana and our Baby's health, and all of our doctor and hospital visits.

If you would like to support us as a family, or the team, or a specific ministry we are involved with please contact us. For more please look on the website, or keep up with us on Facebook!
