

Merry Christmas С Рождеством

(December 25th & January 7th)

С Новым Годом! Happy New Year from Vinnitsa, Ukraine С Новым Годом! Happy New Year

Happy New Year everyone!

We have been so blessed this holiday season with the gift of our daughter Camilla. It was her first Christmas with us 'outside' and we had so much fun. We chose to be purposeful to make some traditions that we can carry on for the coming years as we have an annual birthday party for Jesus Christ.

We have been busy with preparation for the upcoming Discipleship Training School (starting Wednesday, January 9th). We have still had time to make gingerbread cookies, cinnamon rolls and decorate a tree for our apartment. One thing about Ukraine, with the two Christmas celebrations, (Ukrainian Christmas is January 7th) is that we get to keep our tree up longer! We also celebrated the New Year with our team. The combination of pot-luck and fireworks and good friends was an awesome way to ring in the year. We pray that your holiday season was full of friends and family as ours was. We are so blessed to have each of you considered family and friends and pray the Lord's abundance over your coming year.

Love and Peace and Joy from the Lord Jesus,
Daniel, Tetyana, and Camilla Yarbrough
